29th - School reopens

## Adverse Weather

In the event of adverse weather conditions this winter we will make every attempt to ensure our school will remain open. Huge efforts will be made by staff to reach school, and clear the paths. If major snowfalls or icy conditions occur, and a decision is taken to close the school, we ask our parents to get information quickly of a morning, on the website [www.wrexham.gov.uk/snow](http://www.wrexham.gov.uk/snow) for up-to-date information about the school closing. So we can also text you, please ensure your child has the correct mobile phone number in school or an up-to-date emergency number of a neighbour or close relative. May I assure parents that every conceivable effort is made to keep the school open, at all times. We will also use Facebook and Twitter to keep parents updated.

Dear Parents/Carers/Pupils,  
I hope that you have had a good Christmas and I would like to wish you a Happy New Year.

We enjoyed a very successful end to the Autumn term with the children's excellent performances in the Christmas concerts and The Friends of Brynteg School raising £1068 with their Christmas Fair and raffles.

Thank you to all of you who supported us during our Estyn inspection last week. The children made us very proud all week. The final report will be published on March 11th and we look forward to sharing it with you.

We are now looking forward to a successful and enjoyable 2019.

R Connell
