

Year 2 activity ideas

Reading

If you don't have many books at home I can add some to Bug Club or email some short stories to you. If you finish a book, write a review of your thoughts using the following headings to help:

1. Title
2. Author
3. Your rating of the book out of 10 (and why).
4. What was the book about?
5. Who was your favourite character and why?
6. What was your favourite part of the book?

Maths

- One page from the booklet you've been given.
- Times Tables Rockstars or Numbots

Other

- At least one activity from the home learning menu

Notes

If you want to complete ANY activity on ANY topic that you want, please do it and bring it in/upload it to Seesaw.

My Hwb email address is jonesl181@hwbcymru.net, Miss Vicky's is kinsellav5@hwbcymru.net and Miss Helen's Bexonh@hwbcymru.net is if you want to ask us any questions, just want a chat or if you are worried about anything. We will check our emails daily and respond as soon as we can. Please use your Hwb email address which is on your digital passport.

When you complete your tasks either add them to Seesaw or write them in your exercise book.

Keep working as hard as you do in class and keep safe. ❤️

Nature Home Learning Menu - YEAR 2

| | |
|---|--|
| Choose a task, complete it in your exercise book or on paper and stick it in. You can also take a photo and put it on seesaw. | |
|---|--|

| | |
|---|--|
| Watch a nature programme and make notes on interesting facts you have learned. | |
| Draw your favourite animal and write what you know about it. | |
| Draw a flower. Can you tell me the names of the different parts? | |
| Stand by your door and close your eyes. Listen to the sounds. Draw or make a list of what you can hear. | |
| Draw the view from your bedroom window and draw the view you would love to have. | |
| Ask your adult to help you create a table with the headings land, water, both. How many animals can you name that live in these places? | |
| Create some wild art, using the natural things in your garden. Add a photo to SeeSaw | |
| There are lots of different cloud types. Take a photo of the sky and tell me what cloud you see. | |
| Keep a nature diary. Write down the time, the date and any animals you see. | |
| Write a letter to Mrs Connell to ask for a class pet. Tell her which animal you would like and why you think we should have it. Remember your full stops and capital letters. | |
| Keep a weather chart. Tell me the date, time, weather for a number of days. Can you remember some names for the weather in welsh? | |
| Design a menu, using only fresh food. | |
| Create a crazy animal and label its body parts. | |
| Play 20 questions with someone in your house. Choose an animal and your family have to guess what it is. (The game you play with Miss Helen). | |
