

# Home learning Menu

- Go outside if possible and help the children to find mini-beasts. Look under stones. Ask the children to draw a picture of them and if they have access to the internet find out information about them. Write a sentence about what they have found out.
- Draw around objects in your home, such as cups, bowls and plates. Colour in the shapes and then cut them out and stick into books.
- Draw around a hand or a foot and cut it out. Use them to measure things around the house. Encourage the children to guess how many hands long will the table be, etc. Get the children to say if their guess was write.
- Use junk model such as egg boxes, plastic bottles to make a model such as a robot or a house.

- Outside play games involving numbers e.g. Can you take 10 giant steps, Can you hop 6 times?
- If you have access to the internet choose a country you would like to go to. Find out information about that country that you can tell your friends when you get back to school. E.g. what language they speak, learn how to say something in that language, what their flag looks like, (Draw the flag). Food that they like to eat there.
- We have been learning number bonds to 5. e.g.  $4+1=5$ ,  $3+2=5$  etc. If your child is able to say and write number bonds to 5 can they start to learn number bonds to 10.
- Learn to read and write some of the First Key 100 words. Don't worry you don't have to learn all of them but it would be amazing if you can learn a lot of them.

# Daily Activities

1. Chose one of the following sounds each day ch, sh, th, ng, ai, ee, igh, oa. Learn to write and read words that have those sounds in them.
2. Write a sentence about what you have been doing. Remember to start with a capital letter, include finger spaces and end with a full stop.
3. Record the days of the week on a daily basis to help learn the names of the week days. Ask the children how many sunny days are there, how many rainy days, etc. Ask questions such as today is Friday what day was it yesterday? What day will it be tomorrow? Teach the children to write the days of the week.
4. Choose at least one activity from the home learning menu

If you want to complete ANY activity on ANY topic that you want. Please do it and bring it in/ upload it to seesaw.

- My hwb email address is [Kellye21@hwbcymru.net](mailto:Kellye21@hwbcymru.net) if you want to ask me any questions, just want a chat or if you are worried about anything. I will check my emails daily and respond as soon as I can. Please use your hwb email address which is on your digital passport.
- Keep working as hard as you do in class and keep safe

# Parents

- Please can you use active learn to ensure your child reads during this period.
- We have attached a list of fantastic websites and programmes that can be used to enhance your child's education. Twinkl have an incredible amount of worksheets and activities available and are offering their services for free in these challenging times.
- We have also sent home your child's digital password for access to lots of fantastic programmes. Please keep this safe.
- I have also attached another seesaw login for those who haven't already signed up. Lots of your child's work is on here, and you can message me if you have any worries about anything.
- Children also have an incredible amount of programmes attached to their hwb account for free, including J2 blast.
