

Brynteg C. P. School

Date: October 2020

Dear Parents/Carers/Pupils,

As I am sure you are aware, the Welsh Government has made the decision to have a two week circuit break across Wales starting this Friday. The break will not effect us as a primary school and the second part of the Autumn Term will start back as planned on Monday 2nd of November.

Due to staff and children receiving positive test results there are many classes across both secondary and primary schools closing for two weeks and pupils being sent home to self-isolate. It is very important that **they do** isolate and they must **not** attend our school grounds during this time. We are working hard to keep all of our staff and pupils safe and appreciate your support with this.

In the event of a class closure at Brynteg School we would continue to provide work for all children via Seesaw. If you do not have access to the Seesaw App or are without a digital device at home can you please let us know.

I hope you all have a safe and enjoyable half term.

R Connell

New Arrivals

There has been great excitement this week as four of Year one's quail's eggs hatched. The children were lucky enough to see the chicks, Charlie, Rosie, Bryn and Fluffy emerge from their eggs last week.

Shoe Box Appeal

As we are having to limit items brought into school from home it is going to be very difficult to organise the collection of the shoe boxes you make which are full of gifts to send to disadvantaged children in Eastern Europe.

As these are the only presents hundreds of children receive at Christmas we thought we would organise a non uniform day on Friday 6th of November and ask for a donation of a minimum of 50p.

Teams4U have organised 'sponsor a shoebox' so we can still be involved and help. £15 will pay for a box, contents and transport costs. If each child donates a 50p we could raise £80 which would provide additional welcomed boxes.

Thank you.

Unfortunately we will not be able to have a Harvest Festival Service this year as we are unable to mix classes in the hall. Over the past few years the Wallich have really benefited from the kind donations which you have given. This year will be another extremely difficult year for those who are homeless and we thought it would be a kind gesture if we could donate any items of food and take it down for them after half term. From November there will be a container outside the main office for you to leave any items of food which we could give to the charity. Dried food, tins and packets will all be welcomed.
