

Dear Parents/Guardians,

I would like to say how proud we are of our pupils. Following another unexpected and lengthy lockdown they have returned back to school ready to learn in a positive and calm manner. It really has been really good to see everyone back in school!

Our breakfast club will re-open after the Easter holidays for all pupils. Your children **MUST** be booked in before attending.

After School Club will not be starting the first week back. We can only run it if we have enough children attending to pay staff's wages. If you would like to use it please phone the office to put your child's name down. We will make a decision by the end of the first week back if it is viable to reopen.

We have training days on Friday 26th March and Monday 12th April. School starts back for pupils on Tuesday 13th April.

School dinners will need to be paid for and pre ordered using the new system, ParentPay which will be live on Friday 26th March. You will all be emailed your codes and instructions by ParentPay this week. If your child has **Free School Meals** they too will need to **pre order** their lunch using the system at home.

The governing body have released this year's annual report for parents on the school website. If you would like to join their meeting the Zoom link is there.

Please remember we are still in Wrexham is still **Alert level 4**, this means that:

- People must stay at home except for extremely limited purposes
- People must not visit other households or meet other people they do not live with.

We would therefore emphasise that unless it is an exceptional circumstance children must be picked up by their parent or **one** nominated member from their bubble.

I hope you all have a safe and enjoyable Easter holiday and look forward to a summer term without too much disruption.

R Connell
